Notes: We selected Beefmaker in 2006 as he promised to be a Future Direction son with great power offering frame with EBVs combining big growth and carcass weight with breedleading muscle plus IMF. Beefmaker also appeared to be an outlier with his strong positive fat cover yet very good yield EBVs. His sons offered in the sale deliver on his promise with plenty of frame & loads of style growth & muscle. Beefmaker is a trait leader for 400 day, carcass weight & EMA and is placed in the top 10% of the breed for all Indexes.
